

Lake Bell,

if you didn't work in film, what would you be doing?

I would probably exclusively be a mom. It's a very noble job to be a parent, and I learned that when I had my kids. When people say, "Oh, you know, I'm just a stay-at-home mom."

I'm like, "Power to you, because that job is no joke." That said, the great thing about this hypothetical question is I don't have to make that decision. I *am* a writer, actor, director, and producer, but also a mother and a wife. I get to choose all of those.

Lake stars in *I Do...Until I Don't* and *Home Again*, both out next month.
